CHILDREN'S BOOK -

WEEK is celebrated in the Netherlands from 30 September to 11 October. This year's slogan is "En toen/ And then" which draws attention to books about historic events and stories set in the past. During this 10-day period we will celebrate the love of reading in class and host extra reading sessions in our library. https://kinderboekenweek.nl/

with sports and games. We want childre to play, move and have fun. It's a day organized since 2013 in the Netherlands. The idea came from Richard Krajicek, he's a famous tennis player and because of the enthronement of our king in 2013, the day is called kings play.

The feast of Sinterklaas celebrates the

name day of Saint Nicholas, patron saint

of children, on 6 December. The feast is

celebrated annually with the giving of gifts on St. Nicholas' Eve (5 December) in

LEARNING CELEBRATION

At the end of each term we celebrate our learning. This celebration is lead by the children and where they express their learning experiences with materials and activities. Parents are invited by the class teacher to join this celebration.

PROGRESS REPORTS A progress report gives an overview of the childs' progress based upon x their working level and the next learning steps. It includes IPC, mathematics,language and PE in ★ addition to their social emotional development and attitude towards work. The main objectives for the start of the year until January are covered in the mid-year progress report and the $_{m{\chi}}$ objects from February until June are

covered in the end-of-year progress report. If specific learning objectives ✓ continue throughout the year, these can be found in both reports. For language and mathematics, we indicate ✗ the students' development compared to the British National average. The teacher can explain this in more detail imes at the parent-teacher meeting.

FOUR EVENING WALK FLORIANDE

The four evening walk is organized for all schools in Floriande. Optimist International School also participates,

hopefully this year with a lot of our children! There is a

reward for the school who has the highest percentage of participating children. They can walk either 5 km per day or 10 km per day. Parents can register for this in May.
