

## Activity program block 2

Dear parent(s) / carer(s) of UniKidz,

We are pleased to introduce the new activity program block 2.

Per child, we would like to receive your preference per day via

[floriandebso@unikidz.nl](mailto:floriandebso@unikidz.nl)

Regards Team UniKidz

### Monday

4-7

#### GENERAL BSO ACTIVITIES

**15.30 - 18.30 hrs**

Are you not in the mood for an activity? And do you like to play by yourself or with a friend? This is also possible at UniKidz. Playing with lego, playing games, reading a book, being creative and many more relaxing activities.

4-12

#### SHOW & MUSICAL

**15.30 - 16.15 hrs**

Learn to sing, dance and act like a pro with our musical classes. Develop your skills and discover your talent for performing arts. Join us! The class is taught by Petra Balletstudio Flex

4-12

#### STEAM

**16.00 - 17.00 uur**

During Steam, you choose a challenge. Children work in pairs or threesomes to think about the challenge. First they create a plan or design and then they get to work on the details, building a working prototype. This prototype is then tested and improved until the result receives team approval. The final result is presented to the entire group. The possibilities and variations are endless. Ask the children to build and program a robot that can move, then each team will come up with a unique design.

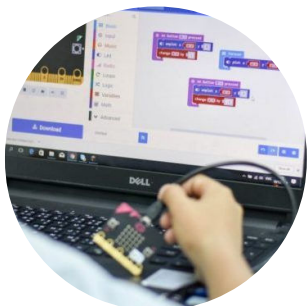

4-12

#### CREATIVE WITH CLAY

**16.00 - 17.00 uur**

Do you want to get creative with different types of clay? With clay you can make the cutest things think: magnets, flower pots, pencil cases and much more! Find out during the workshop.

## Tuesday

4-7

### GENERAL BSO ACTIVITIES

**15.30 - 18.30 hrs**

Are you not in the mood for an activity? And do you like to play by yourself or with a friend? This is also possible at UniKidz. Playing with lego, playing games, reading a book, being creative and many more relaxing activities.

4-6

### ATHLETICS-EXPERIENCE

**16.00 - 16.45 uur**

If you like running, jumping and throwing. Then come enjoy athletics. Get to know the various disciplines and train yourself to become a good athlete. The class will be taught by Team Sportservice Haarlemmermeer.

4-12

### ESCAPE ROOM

**16.00 - 17.00 hrs**

What do you do in an Escape Room? Puzzling! And Puzzling is fun! Learn how to build your own Escape Room in the BSO. How to make the games and how to make sure there is enough surprise and challenge.

4-12

### ACTION PAINTING

**16.00 - 17.00 uur**

Action painting is when an artwork is made by splashing, dripping, pouring, and other ways of painting to a surface rather than carefully applying it with a brush. They will be one of a kind, this technique is a great example of open-ended art that helps build your young artist's self-confidence. Open ended art is when the emphasis is on creating the artwork not the final result of it. "Celebrate the process, not the product!"

6-12

### STEP & FUN

**16.45 - 17.30 hrs**

Always wanted to learn to ride on a scooter, learn various games/exercises with it? Then this is your chance! This class is very varied. The scooter will be the main focus but is interspersed with various sports and games. Attention all sporty people! The lesson is given by Team Sportservice Haarlemmermeer.

## Wednesday

4-7

### GENERAL BSO ACTIVITIES

**15.30 - 18.30 hrs**

Are you not in the mood for an activity? And do you like to play by yourself or with a friend? This is also possible at UniKidz. Playing with lego, playing games, reading a book, being creative and many more relaxing activities.

4-12

### ANIMATION DANCE

**16.00 - 17.00 hrs**

You probably know the famous camping dances that are often done at a campsite or vacation park by the animation team. Do you dance along with Aunt Rita or swing along with the Hokey Pokey? Sign up for this swinging workshop.

4-12

### COLD COOKING

**16.00 - 17.30 uur**

Put summer on your plate with these delicious summer recipes. Learn to make the most delicious recipes at these workshops, from meal salads, pastas, picnic recipes to sweet recipes with summer fruits.

## Thursday

4-12

### GENERAL BSO ACTIVITIES

**15.30 - 18.30 hrs**

Are you not in the mood for an activity? And do you like to play by yourself or with a friend? This is also possible at UniKidz. Playing with Lego, playing games, reading a book, being creative, and many other relaxing activities

4-6

### CODING

**16.00 - 16.45 hrs**

Programming is the new reading and writing! With ScratchJr, young children can program their own interactive stories and games. In the process, they learn to solve problems, design projects and express themselves creatively using the computer. The class will be taught by coding teacher Snezana.

6-12

### DRAMA & THEATER

**16.45 - 17.30 hrs**

In this workshop, children will learn the basics of drama and theater, one of the most fun and simplest forms of improvisational theater. In drama and theater, nothing is set in advance or on paper. Stories, scenes, characters, and situations are made up on the spot by the participants themselves. The class is taught by drama teacher Charlotte.

4-12

### SEWING CLUB

**16.00 - 17.00 hrs**

During these activities we will focus on different projects that will help the kids learn how to sew, gain an understanding of sewing basics and practice construction techniques. They will also learn how to safely use essentials sewing tools such as a measuring tape, pins, scissors and iron. Learning how to sew involves both left and right brain, which can bring out children's artistic talents as well as their mathematical

4-6

### DRAMA & THEATER

**16.00 - 16.45 hrs**

In this workshop, children will learn the basics of drama and theater, one of the most fun and simplest forms of improvisational theater. In drama and theater, nothing is set in advance or on paper. Stories, scenes, characters, and situations are made up on the spot by the participants themselves. The class is taught by drama teacher Charlotte.

7+

### CODING

**17.00 - 18.00 hrs**

Learn to create your own digital stories, games and animations. It promotes logical thinking and problem-solving skills; creative thinking and learning; self-expression and collaboration; and equity in computing. The class will be taught by coding teacher Snezana.

## Friday

4-12

### GENERAL BSO ACTIVITIES

**15.30 - 18.30 hrs**

Are you not in the mood for an activity? And do you like to play by yourself or with a friend? This is also possible at UniKidz. Playing with Lego, playing games, reading a book, being creative, and many other relaxing activities

4-12

### OUTDOOR GAMES

**16.00 - 16.45 hrs**

The Outdoor games are all about cooperation, creativity and competition. Learn the most fun outdoor games during this workshop and have lots of fun playing with your friends.

4-12

### CREATIVE WITH CHALK

**17.00 - 18.00 hrs**

With chalk you can do great games and activities. Like making a real rising chalk rocket, drawing shadows & much more. If you are creative then this is a real workshop for you!
