

Corona update 3 November

Corona update

The government recently provided more corona measurements. The following measurements **will apply to all Sopoh schools.**

- Facemask requirement is reintroduced and applies to all visitors (parents and others) in the school. The facemask is worn until the visitor is seated.
- Parents do not come into school when bringing and picking up children. Parents will be able to come into school by appointment only.
- Employees who are not vaccinated take a self-test twice a week.
- The reintroduction of the one-and-a-half-meter distance rule is considered urgent advice for adults.
- If somebody within the household has corona, the other members of the household are also required to go into quarantine
- Remember, if anybody in your household has symptoms related to COVID-19, please make a test appointment at the GGD. You can call them directly on 0800-1202 or make an appointment online via coronatest.nl
