WELCOME OPTIMIST FAMILIES!

It's almost time to join our OIS family, and we can't wait to welcome you into our vibrant community! We've put together this handy guide to help you navigate the first weeks of school and provide useful information for the entire year.

Our Admissions Manager, Cheryl and the teaching team are here to welcome our new families, on **Thursday 21 August from 10:00 - 12:00.**

Let's get started!

Anne-Marie
Director of OIS

LOCATION

Our older students from Groups 5 and up are located at our **Waddenweg Campus**. The address is **Waddenweg 87, 2134XL Hoofddorp**. This campus is located 5 minutes up the road from our Dussenstraat Campus, where our Early Year to Groups 4 are situated.

SCHOOL HOURS

Our doors open at 8:00am, and our school hours start promptly at **8.15am until 2.30pm**. On the first day, **25 August**, please come to the main entrance, where a friendly team member will guide you to your classroom to meet the teacher and other students. The start time for our other campus has been adjusted accordingly to allow for easy drop-off if you have children at both locations.

HEALTH & WELL-BEING

We eat healthily in school; we are a 'NUT-FREE' school due to student and staff allergies, please kindly be considerate when making lunch and snack boxes. **If your child has allergies that we should be aware of please notify the school.** We have physical education (PE) lessons twice a week and enjoy outdoor breaks in the morning and at lunchtime.

SCHOOL APP: PARRO

Parro is our **main communication tool**. You will soon receive an email with instructions on how to download the app. Stay up to date with messages, events, and more, all in one place.

SCHOOL WEBSITE

Our website is a treasure trove of information. From learning resources and policies to news articles and links to our school guide and social media, it's all there. Be sure to explore and get familiar with it!

What to bring to school:

- Water bottle
- Healthy snack for morning break
- Lunch in a lunchbox
- PE kit (physical education)*:

LEARNING LADDERS & LEARNING CONFERENCES

We hold three **Parent-Teacher Learning Conferences** (meetings) annually (September, January, June) to discuss student progress.

Our **Ladders at Home** portal provides real-time updates, and end-of-year reports are issued in June. For any concerns or questions, feel free to schedule an appointment with the classroom teacher.

OUR OIS TEAM

We're proud of our diverse team of over 50 staff members from more than **15 nationalities**. Our teachers, assistants, and support staff bring a wealth of educational knowledge and international experience to OIS. Find the complete [staff list on our website](#).

STARTING DATES FOR NEW STUDENTS

We welcome new students throughout the year on these dates:

- 25 August 2025
- 8 & 22 September 2025
- 6 & 29 October 2025
- 10 & 24 November 2025

OIS LIBRARY

We're proud of our multilingual library! We have a library at both campuses and classroom libraries. Each class visits weekly, and students can borrow books in an OIS library bag. Parents must sign an authorisation form before borrowing begins. Details will be communicated by the school librarian and class teacher.

ATTENDANCE AND ABSENCE REPORTING

Regular attendance is compulsory for children aged 5-16. Notify us of any absences via the **Parro app**. We are required by law to record reasons for absences and report excessive or unauthorised absences to the Attendance Officer. Ms. Jules manages our strict absenteeism program. For more information you can visit [our website](#).

Exceptional leave

In exceptional cases, we grant leave during term time. Use the Special Leave Form for family events, moving house, administrative appointments, etc. For more information and forms, visit our website.

VOLUNTEERING COMMUNITY

We encourage family and community members to support our school and students. Parental support is highly appreciated at many levels, such as reading activities, library activities, logistical assistance, special activities (such as excursions), events and specific expertise. We welcome all parents to come into school and use the school facilities.

Welcome Team

For new families we have a **Welcome Team**, which serves as non-school specific settling-in support. They also offer specific connections to current parents, in which they try to link parents in their own language or with some other connection (e.g. area where they live, previous country, or company they work with) if requested.

Class Parent

Every class has a **Class Parent**. Class parents serve as a liaison between the class teachers and the parents. Class parents are parents who volunteer to assist their child's class teacher with class and schoolwide activities. They are also a welcoming informal network of support to new parents and a source of assistance to the class teacher, on all sorts of non-educational matters. Class parents do not have a formal role in the school. **The Participation Council (PC)**, their role doesn't involve communication between parents and school about learning or teaching concerns, complaints, individual opinions, school policies or other school matters.

Class parents run the class parent **WhatsApp group**. The class WhatsApp traffic is intended for announcements about practical matters and the provision of information. It is not intended for one-on-one conversations, discussions, disagreements or emotionally charged messages. We explicitly ask parents not to use the app group to express complaints about children/the teacher or to disclose information about their child. This entails insecurity for all those involved and is not in the interest of cooperation around children. In the group no pictures of children can be shared by parents, because of privacy reasons.

Class parents, along with the **Welcome Team**, are also a welcoming informal network of support and a crucial source of assistance to the class teacher on many non-educational matters. Assistance can include: organizing volunteers for group activities, helping organize class displays, activities, etc. As a group, the Class Parents also work together on the organization of events and seek support from other parents in school willing to volunteer in their own class or school-wide, for example school trips, sports events and decorating the building during events.

Volunteering

We also have regular volunteers who assist teachers with specific support such as weekly **swimming lessons, running the library, reading with children**.

At the beginning of each school year, we advertise all these voluntary opportunities in school and hope to recruit as many parents as possible to join our volunteering community in a role that suits them taking into account their availability. Parents who have occasional time available often register as an **Activities Volunteer** and may be contacted by teachers, class parents or specific event organizers to help at specific moments.

To volunteer, register or request support, contact Jules at julie.joly@floerer.nl.
